**MACMILLAN
CANCER SUPPORT**

An overview of our free information resources

At Macmillan, we have over 150 free information booklets – as well as over 1700 pages of online information and a range of other formats – to help people with cancer live life as fully as they can.

Our content covers a wide range of topics including:

- pre-diagnosis
- tests and treatments
- cancer types
- side effects
- living with cancer
- living with cancer and another condition
- money
- work
- life after cancer
- support when cancer is advanced.

We also have information for carers, friends and family.

See our content online at **macmillan.org.uk**

You can order free booklets from our website **be.Macmillan.org.uk** or call our free helpline on **0808 808 00 00**.

New, revised and retired content

New content

We have added Turkish and Ukrainian to our core languages, and will be adding Dari, Farsi and Pashto in July 2022.

We have launched new online-only content on:

[Cost of living - support for people with cancer](#)

[LGBTQ+ people and cancer treatment](#)

[New to the UK with cancer](#)

[Transgender and non-binary people and cancer](#)

Revised content

[Managing the late effects of pelvic radiotherapy in men](#) (MAC13825_E03_N) and [Managing the late effects of pelvic radiotherapy in women](#) (MAC13826_E03_N)

Replaced with:

[Managing the bladder late effects of pelvic radiotherapy](#) (MAC18910) and [Managing the bowel late effects of pelvic radiotherapy](#) (MAC18911_E01)

[Pelvic radiotherapy in men – managing side effects during treatment](#) (MAC13943_E03_N) and [Pelvic radiotherapy in women - managing side effects during treatment](#) (MAC13944_E03_N)

Replaced with:

[Understanding pelvic radiotherapy](#) (MAC18915_E01)

Retired content

Due to the impact of COVID-19 on Macmillan and the reduced capacity of the Information Development team, here is a list of resources we have retired since 2020:

[Cancer and older people](#) (MAC11666) We will continue to update online content on this topic

[Fertility – support for young people affected by cancer](#) (MAC15188)
