

# List of translated web pages

January 2024

This document lists web pages we have translated to meet individual patient needs. If you need any of these translations, please email [cancerinformationteam@macmillan.org.uk](mailto:cancerinformationteam@macmillan.org.uk)

We have a range of general information about cancer available in 16 languages on our website:

[macmillan.org.uk/translations](https://macmillan.org.uk/translations)

If you need any other web pages translated for a patient, please contact us on [cancerinformationteam@macmillan.org.uk](mailto:cancerinformationteam@macmillan.org.uk) and we will aim to support you with your request.
